

## **Roadhaven Church Choir**

Roadhaven Church Choir is an important part of the Sunday church service. At the service, we sing an anthem, and then lead the congregation in singing the hymns. We also have soloists for special music.

We give a Christmas Cantata during December, with a live pageant of the Christmas story. We also sing a Christmas Eve service with the congregation joining in on the carols.

We do special music during Lent and for the Easter service. We have sung gospel music at the all-park variety shows. And a selected gospel choir sings for special occasions. Choir is fun!

We practice on Fridays at 12:30, and on Sunday mornings before church. Church services begin in November and continue through Easter.

We welcome all those of you who like to sing to join us for our  
Worship in Song!
