Why do you want to serve on the Roadhaven Board of Directors?

I now consider Roadhaven as much as my home as our home in Eagan, Minnesota. I am proud of the positive reputation that Roadhaven has. I want to use the communication, organization and negotiating skills that I have acquired throughout my career and personal life as a member of the HOA Board. I feel I can provide honest, common sense opinions and want to provide support and assist with the continued success of Roadhaven.

Roadhaven Activities you are or have been involved in:

Rec Council Executive	Secretary
Art Club	Member and next year's President
Bocce Ball	Team Captain
Golf Club	Past member

Resume of your qualifications:

I call Eagan, MN home but now feel Roadhaven is as important as my home in MN. I have been married to Bud (Frank) for 46 years and we have one daughter. My parents, Jan and Cliff McCabe, lived in Roadhaven fulltime for approximately 15 years. We visited often and saw how much fun everyone seemed to have here! Once my parent's health was an issue, we bought their park model, retired and started living the Roadhaven lifestyle! This is our 4th year here.

I have worked in various roles which all involved problem solving and strong communication skills. My job the last 25 years was that of a Workers Compensation Supervisor for Sedgwick CMS, the largest Third-Party Administrator in the country. This involved resolving claims, compensating timely within the state laws, working closely with the injured employee, the employer, the attorneys, judges, testifying, attending hearings and mediations. I was responsible for large sums of money which required compliance with state regulations, ethics training and licensing. I supervised 12 examiners and handled many disputes. This job required strong organizational and people skills. I retired in 2018.

At Roadhaven, I am a member of the Art Club and will be the President next season. I am captain for our Bocce Ball team, a member of the Computer Club and I am Secretary for the Rec Council. Last season I was going to teach the Art Club's painting party. I joined Bocce Ball, Pickleball, and Par Tee Girls Golf on January 15 and the next day I fractured my collarbone playing pickleball! I especially enjoy golf, gardening, and oil painting. I was a Girl Scout leader and often help serve food at a large shelter in St. Paul.

I feel my desire to preserve the quality of life in Roadhaven and my experience in resolving issues and communication skills will be an asset to our community.
