

Welcome to Roadhaven Resort

We are so pleased you have chosen to spend your time here with us at Roadhaven Resort.

We have a variety of amenities, activities, and clubs where you can be as busy as you'd like to be. Please take some time to peruse our website www.roadhaven.com to view all the wonderful things that are Roadhaven.

If you are a new renter or homeowner, check out our Activities page. You will see all the events that are happening throughout the season. Are you interested in learning a new sport like pickleball? Or maybe learning a new skill like silversmithing? Maybe you have a skill or talent you'd like to share. Do you enjoy working with technology – we have a top-notch audio-visual booth and a fully functional computer lab.

Under the Resort page, you will find all the amenities that Roadhaven Resort has to offer. Are you a golfer or a swimmer? Maybe you'd like to do a few reps in our Fitness Center in the morning before your swim. Would you like to have a relaxing breakfast, lunch, or dinner on the patio?

And we haven't even talked about the activities in the surrounding area. Maybe a horseback ride, or a hike in the Superstitions, or a wander through the Mesa Market looking for that uniquely Arizonan keepsake. Maybe a spring training game or take in a hockey game against your favorite team. There is so much to do and so many places to see.

You think that three or four months is enough, it never is. When you return the next year, you will have your favorites and you will find more favorites.

Check us out at Roadhaven Resort.

Roadhaven is more than a home; It's a lifestyle!
