Welcome to Roadhaven Resort!

We're so pleased you've chosen to spend your time with us. Once you're settled in, we encourage you to stop by our **Hospitality and Information Center**, where one of our resident volunteers can help you schedule a tour of the resort. It's a great way to get familiar with our many facilities and amenities.

Are you a golfer? A swimmer? Do you like to get a few reps in before breakfast, or are you looking forward to a relaxing meal on the patio? No matter what your interests, our **Resort page** is your go-to resource.

In addition to our impressive amenities, Roadhaven offers a wide variety of activities and clubs. Whether you're looking to stay active or enjoy some well-earned rest and relaxation, you'll find the perfect balance here.

Be sure to explore our website, www.roadhaven.com, to discover all the exciting opportunities available including tennis, pickleball, silversmithing, and even technology! Yes, we have a top-notch audio-visual booth and a fully equipped computer lab. You can always check our **Activities page** for the latest events and happenings.

And the adventure doesn't stop at our gates. Take a horseback ride through the stunning Superstition Mountains, browse the Mesa Market for that perfect Arizona keepsake, or catch a spring training game or hockey match—there's something for everyone nearby.

Roadhaven isn't just a place to stay—it's a lifestyle. Your season with us will fly by, but not before you discover your favorite pastimes and make lasting memories.
